

**We want to make FANS out of every patient that we treat!**

**Chiropractor:** Quickly build the caseload of your choice

*\* Despite the pandemic, we still have a wait list of new patients eager to meet you*

Work in beautiful Orillia, situated on the shores of Lake Couchiching and Lake Simcoe. Excellent quality of life with affordable housing, an abundance of outdoor recreational activities, a short commute to work, and the ideal place to raise a family. Get in early on this growing community!

Join a dynamic team in our NEW & BEAUTIFUL 10,000 square foot facility in downtown Orillia under the same roof as Simcoe Muskoka Orthopaedics. Our multidisciplinary team is well integrated within the community and we have a FUN workplace culture. We are seeking therapists who want to be part of an expanding team; who are interested in mentorship; and those who strive to be excellent clinicians while being engaged in the growth of a stellar business. If you want to be valued and successful, we want to invest in you. Connect with us ASAP!

Check out our team at [www.millerhealth.ca](http://www.millerhealth.ca)

**We offer you:**

- Steady patient referrals; flexibility to choose the size of your caseload
- Clinical Mentorship program
- \$1,000 signing bonus
- Compensation ranges from \$80,000 to \$140,000 annually (*let us show you how*)
- Flexibility to sign on as a commissioned employee or independent contractor
- Complete administrative support: reception, appointments, billing and marketing
- Support for continuing education and professional development

**We believe in MENTORSHIP!**

Whether you are a seasoned clinician or new grad, we help you plan your certification and/or participation in new programs to sharpen and add skills to your clinical tool-kit. As clinicians, our learning and development never ends.

**Contact me if you have the same CORE VALUES:**

- *Caring*
- *Hardworking*
- *Committed*

**Here's what superstar Allison, PT has to say when asked Why Miller Health?:** "Miller Health is a fantastic place to work! I chose to work here because of its multidisciplinary team and I love the opportunity to coordinate with other health professionals to maximize patients' recoveries. We have a dynamic, enthusiastic team who are all ready to help or field questions when needed. The rehabilitation space is open and allows for patient and therapist interaction while performing rehab exercises."
