

# OH SNAP! WE NEED AN OWN ASSESSOR.

We need physiotherapists, chiropractors, and occupational therapists to join our Ontario Worker's Network Specialty Clinic

If you're interested, submit your resume to [careers@millerhealth.ca](mailto:careers@millerhealth.ca)

# CARING AND COMMITTED

## DO YOU SHARE OUR VALUES?

This is a fantastic opportunity for clinicians interested in third party assessments while maintaining their current employment as the scheduling is flexible. Experienced clinicians and new graduates are encouraged to apply.

This position will support the Ontario Workers Network Specialty Clinic for upper extremity, lower extremity, MSK and mTBI based out of Simcoe Muskoka Orthopaedics and Miller Health in Orillia. Working as part of a multi-disciplinary team that includes Orthopedics, Family Medicine, Sports Medicine Physicians, Chiropractors and Physiotherapists, the role will be responsible for reviewing medical files; performing a comprehensive history and physical examination; consult on plan of management; and the preparation of a final report.

### We offer:

- Flexible schedule as assessment times vary each week
- Part-time and full-time caseloads available (~3-10 cases per week)
- No administrative workload as we manage all reception, appointment coordination, invoicing, and billing for you
- Training and ongoing mentorship for third party assessments
- Competitive compensation will be provided for each report completed

### Requirements:

- Registered member (in good standing) with the College of Physiotherapists of Ontario/College of Chiropractors of Ontario/College of Occupational Therapists of Ontario
- Superior written and verbal communications
- Excellent interpersonal skills
- Sound judgement and problem-solving ability
- Experience working with MVA and WSIB clientele preferred
