CARING AND COMMITTED

DO YOU SHARE OUR VALUES?

Join a dynamic team in our NEW & BEAUTIFUL 10,000 square foot facility in downtown Orillia under the same roof as Simcoe Muskoka Orthopaedics.

Under the clinical supervision of a Physiotherapist, the Physiotherapist Assistant (PA), or the Registered Kinesiologist functions as a member of an interprofessional team in meeting the needs of the client. The PA acts as a health care worker who helps to teach clients to effectively cope with their limitations in movement, daily functioning and activity.

Responsibilities range from program planning assistance, patient education/support of self-care to administrative duties and record keeping.

We offer our Physiotherapist Assistants/Registered Kinesiologists:

1. In house training on exercises and patient care
2. Learning opportunities focused on different rehabilitation techniques and systems
3. Hands-on experience helping with treatment and patient care
4. Comprehensive and competitive compensation package with predictable bi-weekly income
5. Opportunity to carve out your career path and advance your career
6. A strong and supportive workplace culture

Requirements:

Kinesiology degree or PTA diploma preferred

In good standing with the College of Kinesiologists of Ontario, if applicable
